## About me

Hello! I'm Justin! My wife and I moved to Carson City in Summer 2024 from WA. I love spending time in the mountains and desert, and love the dark skies and stars here. NV is the perfect place for it all! We had our son, Theodore in September of 2025 and my long-term plans are to do remote or hybrid accounting work so I can spend as much time as possible with my family moving forward.
